RAFTING Guidelines

- A valid river rafting permit is required for each individual, for each day, which the individual(s) intend(s) to be on the Salt River. Kayaks, inflatables, and rafts are all covered by a river rafting permit.
- Rafting trips that travel through the Fort Apache Indian Reservation and into the Tonto National Forest are required to possess a 2-day permit per individual.
- A valid special use permit is also required for the 1st day setup. The special use permit covers camping and shuttling activities.
- A rafting permit does not allow access to CBQ Falls.
